Declaration of undivided interest: Ram Raghu Ananda Phase I

Copy the figures from the Declaration the builder filed under the Apartment Act. Do not estimate them.

Flat No: the flat's number exactly as the society will use it (one row per flat, no repeats).
Area: the flat's area in square feet, a whole number (a fraction is rounded to the nearest foot).
Undivided-Interest: the flat's share as a percentage, for example 1.25 for 1.25%. Up to 6 decimal places.
The shares must total 100%. Every flat in the building must be listed, including flats not yet enrolled.

Upload this workbook (.xlsx) together with the builder's signed Declaration as a PDF.
The PDF is kept as evidence with its SHA-256. Nothing is saved unless every row is valid.

Running total of the Undivided-Interest column (must read 100):
